			31 Margaret ANDREW----- AFN: 8QD6-JL BORN: [1760]

Prescriptions for HALCION should be written for short-term use (7-10 days) and it should not be prescribed in quantities exceeding a 1-month supply.

**Warnings**

Sleep disturbance may be the presenting manifestation of a physical and/or psychiatric disorder. Consequently, a decision to initiate symptomatic treatment of insomnia should only be made after the patient has been carefully evaluated.

The failure of insomnia to remit after 7-10 days of treatment may indicate the presence of a primary psychiatric and/or medical illness.
